Dear Members

IMPORTANT ANNOUNCEMENT

This is a very important announcement!

CPAPNG will no longer issue printed copies of the International Financial Reporting Standards (IFRS) and International Auditing and Assurance Standards (IAAS).

The reason for this change is to overcome delays in procuring the standards and delivering to members. This significant change in the mode of our business will achieve timeliness in delivering current standards.

Upon registration, you will be assisted by CPAPNG staff to obtain an updated e-copy of the IFRS direct from IFRS Foundation and e-copy of IAAS direct from IFAC.

The Auditing standards are on **CPAPNG Website**. You can obtain your **FREE** copy here: <http://www.cpapng.org.pg/about-us/resources/>

We seek your cooperation to adapt to this change.

Yours sincerely,

Certified Practising Accountants PNG
